Equipment/Prop Check-in: After check-in, you will be able to unload your equipment at the equipment/prop entrance located on the south side of the school (SEE MAP). This is also building DOOR #10. We want to have as much room as possible for everyone to unload so we ask that **EVERYONE UNLOAD QUICKLY and MOVE your equipment truck away from DOOR #10**. Everyone going through these doors MUST have a wristband! You can move your equipment in early, as we will be storing you in the main hallway. We must go in performance order, so you will be given a number that assigns you to your position.

Homerooms: We will provide designated / assigned hallway space and common changing rooms. Awards: Scores will be posted on our media center windows (by the main staircase) near the cafeteria.

Concessions: Our band boosters do an outstanding job in this area. We serve excellent food at reasonable prices. Please encourage your students and fans to eat at our concession area. (Concessions are near the spectator entrance.) **NO FOOD WILL BE PERMITTED IN THE BUILDING!**

Hospitality: We will have a hospitality room located in the Media Center. Feel free to stop by and relax! This area is for color guard directors, staff, and drivers.

Warm-up: We will run 2 warm-up areas, one in our East Gym and the other in our high school Band Room. Both areas are over 60'x 90' and will allow enough height. You will have the interval time allowed for your class. All Class A class guards will have 14 minutes with 7 minutes of music. You will be given a 5 minute warning, a 3 minute warning, and a 1 minute warning at the conclusion of each set time.

Performance: The performance area will be 100'x 65'. We will have the floor covered with the protective tarp (black). The boundary line and timing lines will be clearly marked. The floor will be set back off the front side line of the gym floor approximately 3 ft. We suggest that you only move your floor back a few inches from where the black tarp begins. REMEMBER this that we here at Decatur Central use a less than ¼" floor mat (PLUS our black tarp) that is put down for the protection of the gym floor. The size of the floor mat is approximately 60' x 85' feet.

Time line/ Exit line: The total performance time will stop once a group crosses the vertical timeline. You will be exiting the opposite doors from which you entered. See performance floor flow chart enclosed.

RECAPS / SHEETS / PACKETS / CRITIQUE Recaps will be available via Competition Suite. There will be a critique for those who advance to finals in our media center. This is a "first come, first served" style event and it will begin 15 after the final unit of the day performs.

AWARDS This event will NOT have an awards ceremony.

Vendors: There will be several vendors at this event. All vendors will be located in the commons area near the spectator entrance.

We are looking forward to a great day of pageantry of the arts!
