

Debbie Blink Memorial Scholarship

The Debbie Blink Memorial Scholarship offers a performance scholarship to high school color guard members from Indiana who will be performing with a drum corps the summer following their graduation from high school. The monetary value and quantity of the scholarship(s) will be based on available funding. The scholarship is a memorial scholarship in remembrance of Debbie Blink. Debbie was introduced to color guard at a young age as she watched her older sisters' color guard performances. Debbie was a member of the Yorktown High School Colorguard and went on to march in the Star of Indiana Drum & Bugle Corps. She returned to Yorktown High School as a color guard instructor and continued to give back as an instructor to Yorktown's color guard; Debbie continued teaching and working with Indiana high school color guard and dance students and with several other organizations and schools through the years.

Throughout her adulthood, Debbie continued to give back by sponsoring young adults who had the desire to march drum corps after high school by providing financial support to students who may not have been able to perform otherwise. She was a firm believer in the drum corps activity and the important life lessons and close personal bonds created in the color guard activity.

Debbie passed away December 24, 2014 after a courageous 3 ½ year battle with cancer. Her friends have decided to honor her memory with a scholarship to assist students continuing after high school in the colorguard / drum corps activity. The scholarship has been funded through generous donations of friends, family and those who share Debbie's passion for the drum corps activity. Criteria for applicants:

Commitment to march in a drum corps the entire summer following high school graduation
